

Saskatchewan PlantWatch Data Sheet

Name:	Year:
Address:	
Town/City:	Postal Code:
Phone:	Fax:
E-mail Address:	

Location of observations: *Please fill in a new sheet for each unique location*

Location Name:		
Please provide the geographic location as best as you can. You may use a street address, a legal land location, latitude and longitude, UTM's from a topography map or any combination.		
Closest city or town:		
Habitat Type: <input type="checkbox"/> Deciduous forest <input type="checkbox"/> Coniferous forest <input type="checkbox"/> Mixed forest <input type="checkbox"/> Tundra/barren <input type="checkbox"/> Grassland	<input type="checkbox"/> Marsh, bog, wetland <input type="checkbox"/> Farmland <input type="checkbox"/> Residential garden/lawn <input type="checkbox"/> Schoolyard	Sun Exposure: <input type="checkbox"/> Sunny and open <input type="checkbox"/> In half shade <input type="checkbox"/> Shaded all day Aspect: <input type="checkbox"/> Flat area <input type="checkbox"/> Gentle Slope <input type="checkbox"/> Steep Slope Slope faces: (Please circle N – NE – E – SE – S – SW – W – NW)
Plants are located: <input type="checkbox"/> Away from buildings and obstacles <input type="checkbox"/> Within 10 meters of wall: wall faces (Please circle N – NE – E – SE – S – SW – W – NW)		

See the PlantWatch Guidebook or website (<http://www.plantwatch.ca/>) for information on how to track blooming and leafing-out. Use the back of this data sheet to report your bloom and leaf-out dates. Thank you for your contribution! Please mail your data sheet by **September 15** to:

Saskatchewan PlantWatch
 Nature Saskatchewan
 206-1860 Lorne Street
 Regina, Saskatchewan S4P 2L7

Phone: (306) 780-9417 or 1-800-667-4668
 Fax: (306) 780-9263
 E-mail: rpr@naturesask.ca

Comments on the season (weather, plants, insects, etc.): (please use a separate piece of paper if needed)

Thank you, PlantWatchers!
 Every observation counts... reporting even
ONE flowering date for **ONE** plant is a **GREAT**
 contribution!

Common Purple Lilac				
Prairie Crocus				
Saskatoon				
Prickly Saxifrage				
Star-Flowered Solomon's Seal				
Starflower				
Wild Strawberry				
Sweetgale				
Twinflower				
Wolf Willow				

When you send in your completed data sheet results this year to PlantWatch, we will enter your name in a draw for several great prizes! These include: three gorgeous native plant prints done by local artists; the newly released book *The Great Sand Hills – A Prairie Oasis* signed by Author Rebecca Grambo and Photographer Branamir Gjetvaj; and a Nature Saskatchewan t-shirt and water bottle. The draw will be on October 1st, 2007, so watch those plants bloom for us and remember to send in your results before then to have a chance at these great prizes!
